The children will be expected to read every day, preferably to an adult. If you have time please discuss some or all of the book. At the front of every child's reading record book there are questions that may be asked to help with this discussion and check understanding of what has been read.

Year 1: Each week, as well as reading, you will be practising five words from the spelling list you are working on. Please write each word in a sentence you have made up.

Year 2: Each week, as well as reading, you will be practising five words from the spelling list you are working on. Please write each word in a sentence you have made up. You will also have a piece of maths homework.

You will be given **new** homework on a **Thursday** and should bring your homework **in** by the following **Wednesday**. If you are finding the maths tricky then ask for help before Wednesday. Don't worry about it because we can help.

You will earn stickers for reading and doing your homework. If there is no homework then there will be a note in your child's homework book or reading record.
