## PTFA Update

The PTFA met last night and have agreed their dates for the year. This year the PTFA are going to raise money for the Christmas Trips – Hawk have already booked Rand Farm and the Junior's Ice Skating is also booked. Vulcan and Canberra have yet to decide! The children have asked the PTFA to also raise money for an extension to the Red Arrow Adventure Trail. We will be putting a totalizer up next to the PTFA board which is above the Guinea pig's cage. On the display, is a place for you to sign up if you can help with anything.

### Monthly 100 Square

The PTFA have decided to hold a monthly 100 square prize draw. Just like the 100 squares at the winter and summer fairs, all you have to do is to come to the office with £1, pick a number and on the last Thursday of the month we'll draw a number out. The winning number takes half the pot. If there isn't a name on the square then the pot rolls over to the following month. If you can't make it in to school but still want to be in with a chance of winning a possible £50, then send a £1, in an envelope, to the school office marking on which number you would like.

### Change Jars

Starting after half-term we're going to have a small change jar in each classroom, the children can drop in any small change that will go to the PTFA. At the end of the year, we'll total the jars and the class with the most money will win a prize. The children will be told that it is for change and they should not take money without asking.
