Term 4 ends 31st March
Term 5 begins 18th April

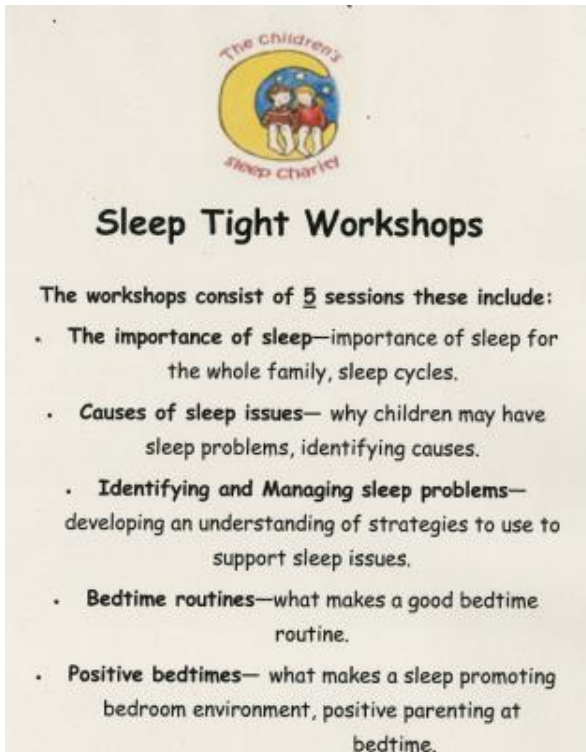

Club News: Fun Circuits, Book Club, Assembly Power Point and Embroidery are now finished. Reading Club and Maths Club will continue until the 30th March. The last Junior Synergy is Friday 24th and last Infant Synergy is 29th March.

Term 5 Clubs: To allow everyone a fair chance to gain a place in after-school clubs, we have set up an electronic form on the school website: www.pollyplatt.lincs.sch.uk. This form will become active at a set time and Parents/Carers can fill in and electronically submit this to school. This will form a time stamped list which will then be used to produce a club list. We have a test form on the website at present and would be grateful if you could trial this over the next week by clicking on the "Clubs" link on the homepage and filling in and submitting the form. We welcome your feedback and will look to roll this out in the new term.

Easter Services: The Infant's will be at Scampton Village Church on Wednesday 29th March starting as soon as the children get there after 9:30am. The Junior's will be on Thursday 30th March at 9.30am in the school hall. All are welcome.

Sleep Tight Workshop: A workshop to help with sleep will start on Friday 21st April at school – see below. If you think you and your family might benefit from this, please speak with Mr Beaven.

Red Nose Day Friday 24th: Come dressed as a Hero! There will be a bake sale after school and a fun drawing/colouring competition on the day. Cake donations are most welcome. Please bring to school on Friday morning. Thank you.

Pollyplatt PTFA Easter Bonnet Competition

All children are invited
to decorate an Easter Bonnet
and bring it to school on
Friday 31st March

£1 per entry

The winner will receive a book
and Easter egg

The first time I had an Easter egg I was 12 years old. I saw this mass of chocolate and wondered how long it would take me to eat a solid block that big. You can imagine my disappointment when I broke into it and it was hollow - there was no chocolate inside; it was just an empty shell.

Someone explained to me that after Jesus had been crucified, a man called Joseph of Arimathea placed Jesus' body into a tomb, and with help, placed a large stone over the entrance. In the morning, when Mary Magdalene came to see the tomb, the rock had been rolled away and the tomb was empty. Jesus had gone - He had risen from the dead. The hollow Easter egg symbolises that fact.

I have often wondered why Easter isn't afforded the same status as Christmas in the media. The resurrection is the basis of our faith: that Jesus died on the cross for our sins and in doing so bought us eternal life.

So please join us for our Easter celebrations and especially on Easter Sunday morning at 10.15am at our Resurrection Party.

A Happy Easter to you all from:

Rev'd Sue Deacon (local minister), and the Leadership Team at Scampton Church
